

Caring Companions At Home

"We all want to age gracefully, to live with dignity and remain in our homes for the rest of our lives."

Caring Companions At Home

Caring Companions At Home is an independently owned and operated in-home care agency. We have provided quality senior caregiving services to the Southern California communities for over 25 years and are a trusted resource for seniors and their families. Caring Companions At Home is committed to providing seniors with quality in-home care. Our personalized and affordable in-home caregiving services give our clients the companionship that they need to maintain their independence while remaining in the comfort of their home.

Our Caregivers

All of our caregivers/home care aides are employees, registered with the State of California, and experienced in home care. We also have Certified Nurses Assistants, Certified Home Health Aides, and retired LVN's and RN's employed as caregivers.

Our Caregivers/Home Care Aides Are:
